Corrigendum

Corrigendum to “Life cycle human health and ecosystem quality implication of biomass-based strategies to climate change mitigation” [Renew. Energy 108 (2017) 11–18]

Yemane W. Weldu

Faculty of Environmental Design, University of Calgary, 2500, University Drive NW, Calgary, Alberta T2N 1N4, Canada

The authors regret that in the original publication, the author did not adequately recognize the contributions of Dr Getachew Assefa as co-author. The authorship is now being altered to reflect Dr Assefa's contributions as co-author.

The authors would like to apologise for any inconvenience caused.
